* 3 month trial period required

Where does your donation go?

General operating costs – this includes our Center mortgage, venue rental, travel to different class locations, utilities, publicity, and Center vehicle upkeep.

Teacher care – this includes sending our Resident Teacher to the International Teacher Training Program, Kadampa Festivals, as well as living expenses.

Public Outreach – such as free public talks, high school, and university talks, and more!

International Temples Project – a unique international fund dedicated to public benefit. The ITP fosters the international development of temples, city centers, and retreat centers for the benefit of all.

All class teachers and other center support are performed by volunteers. *No one receives a wage or salary from the center.* Our overhead is minimal and 100% of your donation goes directly to benefit people in the Phoenix area through supporting the spread of Kadam Dharma.

Your monthly donation is 100% tax-deductible. Kadampa Meditation Center Phoenix is a 501(c)(3) public charity.
